

Form 100 - Declarations by Debtors for Electronic Filing of Petition  
(Debtor's signature page for e-filed petition)

The form has been modified to remove the requirement to disclose the social security number of a non-filing spouse and to provide language where the debtors certify submission of their social security numbers by the e-filer during the process of e-filing the petition. By signing this form, the debtors are complying with new Rule 1007(f) of the Federal Rules of Bankruptcy Procedure which requires submission of a Statement of Social Security Number(s) disclosing the full 9-digit numbers.
