

Form 32 - Notice of Meeting of Creditors Given to Additional Parties

The form has been modified to require the sender (pro se debtor or debtor's attorney) to send a copy of the § 341 Notice of Meeting of Creditors which contains the full 9-digit social security number along with the form to creditors who were not previously given notice of the filing of the bankruptcy.

The form instructs the sender to attach only the list of addressees and their addresses to the copy of the form filed with the court.

The form now complies with Rule 2002 amended to require the clerk to include the debtor's full social security number on the § 341 notice to creditors. The full number should be included only on the notices sent to the creditors and not on the copy of the notice that becomes part of the court record.
