

COMMITTEE NOTE

The instructions to Schedule D (Creditors Holding Secured Claims), Schedule E (Creditors Holding Unsecured Priority Claims), and Schedule F (Creditors Holding Unsecured Nonpriority Claims) are amended to inform the debtor that the debtor's account number with a listed creditor is useful to the trustee and to the creditor and should be provided whenever practicable, but not require the number to be provided. Schedule I (Current Income of Individual Debtor(s)) is amended to provide greater privacy to minors and other dependents of the debtor by deleting the requirement that the debtor disclose their names. Pursuant to § 110(c) of the Bankruptcy Code, the certification by a non-attorney bankruptcy petition preparer requires a petition preparer to provide the full Social Security number of the individual who actually prepares the document.
