Re: Legal Services for New Mexico Liquor License Matters

Gentlemen:

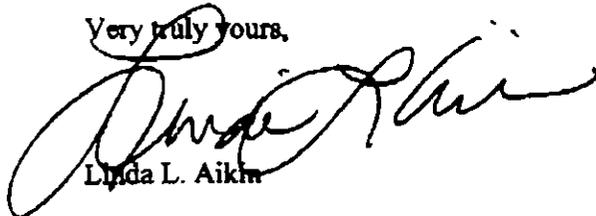

This letter describes the basis upon which I will provide legal services to you and how I will be compensated for my services. I will provide legal services related to New Mexico liquor licenses. The statements for services are simply the product of the hours worked multiplied by the hourly rates for me and/or my legal assistant. My hourly rate for your matter is \$145.00, and, to the extent that my legal assistant is involved, her hourly rate will be \$55.00 an hour.

If you have any questions on any statement, please call me immediately upon receipt of that statement so that adjustments, if any are required, can be promptly made. We encourage you to contact us whenever you have any questions concerning my representation.

To the extent that I incur copy costs, telephone charges and facsimile costs, I will bill for the expenses. These items will be billed to you as I am billed for the expenses. You might occasionally find cost charges on monthly statements which may have been, in fact, incurred one or two months earlier. You will also find gross receipts taxes added to your bill.

My statements generally will be prepared at the end of the month in which services are rendered and costs advanced. If you have any questions, please feel free to call me.

Very truly yours,

Linda L. Aikin
