¹ "Court-generated documents" includes orders and notices other than those sent by the Bankruptcy Noticing Center. Certain notices prepared by the Clerk's office are not currently feasible for electronic filing or for mailing via the BNC, and thus are mailed directly from the Clerk's office. Eventually, all Court-generated documents will be delivered by electronic means, except to those persons who are specifically exempted from this requirement.

² Should you prefer to receive service and notice of court-generated documents via the court's ACE (Advanced Court Engineering) mailbox, instructions for specifying that method are included in the enclosed guidelines.
