

## Notice of CM/ECF NEF System Change

---

On November 20, 2010, the CM/ECF Notice of Electronic Filing (NEF) email system was changed for the entire federal judiciary. If you experience any difficulty in receiving NEFs from any CM/ECF system, please make sure your ISP, email provider, or your IT department has white-listed the following IP addresses and domain name for email delivery:

<b>Gateway</b>	<b>Address 1</b>	<b>Address 2</b>
icmecf101.gtwy.uscourts.gov	199.107.16.200	206.18.112.200
icmecf102.gtwy.uscourts.gov	199.107.16.202	206.18.112.202
icmecf201.gtwy.uscourts.gov	199.107.16.204	206.18.112.204
icmecf202.gtwy.uscourts.gov	199.107.16.205	206.18.112.205
<b>Domain Name:</b>	*.uscourts.gov	

Please pass this information along to the department or organization which handles your email so that access lists and spam filters can be updated. Also, if you are missing any NEFs, please look at the "SPAM/Junk" folder in your email system.

This information applies to all CM/ECF systems for United States Courts in all districts. Larger email providers (such as Yahoo, AOL, and Gmail) have already been notified. If you use one of their services, your email delivery should not be affected. Thank you.
